Dear Grocery Buyer,

I would **love** it if you could stock your shelves with Majestic's amazing

**RAW SPROUTED HUMMUS, VEGAN, CREAMY RAW GARLIC SPREAD and
AGED BLACK SPREAD.**

Majestic is available in all regions through various Distributors. (Albert's Organic, Kehe, Four Seasons, Whitestone Natural Foods, and Hi Touch)

I would LOVE to be able to support your store and buy them here!

The creamy raw garlic is made with simple organic ingredients and spreads smoothly, just like (guilt-free) mayo.

The organic raw sprouted hummus is simply divine. Whipped to creamy perfection, raw *and* sprouted for easier digestion— there's nothing else like it!

Thank you so much!

With gratitude from your loyal customer,
